You may be one of many Americans who is concerned by the direction in *which* the nation is going. Possibly you are discouraged because conditions seem to be worsening despite your efforts to awaken your acquaintances and public officials. When a doctor's patient fails to respond to treatment, the doctor generally will review his diagnosis. Our patient, the United States, is very sick and obviously not responding to our treatment. So let's review our diagnosis of the nation's ills. We may have overlooked something important and a correct diagnosis must precede the cure.

The chaos *which* we see in the affairs of men presents a startling contrast to the harmony in nature and in the heavens. Scientists tell us that our sun is only one of about 200,000,000,000 stars in the galaxy called the Milky Way. They say the Milky Way is but one of billions of huge galaxies. Trillions of suns or stars and their associated planets are whirling through space at incredible speeds, in mathematically precise orbits throughout the universe. Surely this reflects perfect planning. As the Psalmist wrote, "Truly the heavens declare the glory of Yahweh". While we may marvel at the heavens, we must admit the existence of life and particularly man, the *highest* form of life, is an even more glorious declaration of the power of Yahweh. Is it reasonable to believe there is no plan for man, *Yahweh's* greatest creation? After his creation, man was left alone to wander aimlessly without a specific purpose?

Your logic tells you this would be an inconsistency. If the course of the stars has been planned, then the course of man has been planned. It is unfolding before your very eyes, but most of us don't recognize it because the religious world has withheld the truth from us. The average church goer is fed doctrines of devils such as Darwin, Freud and Karl Marx, sugar coated with a little Christianity, instead of being taught divine law and Yahweh's plan for the ages as given to us by the prophets and apostles. That we would have a corrupted church world in this day, was foretold by the prophets, as was the world chaos which would result from this condition.

Luke 3:38 tells how the Bible reveals Yahweh's plan for bringing all mankind into harmony with His purposes. His plan begins with the incarnation of Adam, the first son of Yahweh on earth. Adam's descendants who maintained their racial purity were called Israel. The genealogies of the Bible are of fundamental importance since Yahweh's law is, each after his own kind. Everything which Yahweh created is equal in the sight of Yahweh in the purpose for which it was created. The mixing of different kinds has always brought judgment on every civilization which permitted it. The mission of the Israelites is found in the meaning of the word Israel, which is "He will rule as *Yahweh*". In Deuteronomy 7:6 the following statement is made regarding Israel. "For thou art an holy people unto Yahweh thy God. Yahweh thy God hath chosen thee to be a special people unto Himself, above all people that are upon the face of the earth."

The entire Bible is written about this race of people. From the 12th chapter of Genesis, to the last chapter of Revelation... There are 1,178 chapters in all, every chapter is about one man's family, Abraham, Isaac, Jacob, Joseph, Ephraim, Manasseh and their descendants. In all of these 1,178 chapters, there is no mention of a man, woman or child, king or queen, prince or princess, city, state, mountain, river or event which does not involve Israel.

For some unaccountable reason, when people hear the word Israel, they think of Jews. However, most of today's Jews are a mixture of various races and are called Jews because they practice Judaism, *which* had its foundations in the Babylonian mysteries, rather than the scriptures. During *Yahshua's* ministry, Judaism was known as the tradition of the elders and according to *Yahshua*, was contrary to Yahweh.

The Bible gives seventy or more notable prophetic marks by *which* Israel can be identified. Some of these identification marks are the following:

- **Would be above all other nations.** Genesis 27:29, Deuteronomy 7:6; 15:6.
- **Would be a maritime power.** Genesis 49:25, Numbers 24:7; Deut. 33:13; Psalm 89:25.

- **Having a new home in the appointed place.** II Samuel 7:10; Isaiah 41:1, 5,9; Isaiah 42:4, 10, 12; 49:1-3, 51:5; Jereah 31:8-10.
- **To possess the stone of Israel.** Genesis 49:22-26, 28:18; II Kings 11:14.
- **To be Yahweh's heritage.** Deuteronomy 4:20; 14:2; II Samuel 7:23-24; Isaiah 43:21.
- **To be a people established in righteousness.** Isaiah 45:25, 54:14; Romans 11:26.

- **To have a new language.** Isaiah 28:11.
- **To be hidden.** Psalm 83:3; Isaiah 49:2; Matt. 13:44.

The Anglo-Saxon, Celtic, Teutonic and kindred people bear each and every mark of Israel. No other race bears more than a few of these identifying marks and the Jews none. Expressed in mathematical terms, the probability we are Israel is irrefutably certain. A layman would say, if the shoe fits, wear it. Our identity as Israel is further corroborated by authentic history, church records, archeology, ethnology, anthropology, philology and other sciences. Let's face it white Christians, despite the fables which you have been taught, you are the born descendants of the patriarchs, prophets and apostles of the scriptures and the inheritors of the promises made to them.

In addition to being the revelation of Yahweh's plan for establishing His governmental system in the earth, the Bible is the history of our race. Much of it is written as prophecies which have been fulfilled in the most minute detail by our race. In fact, unless one knows our identity as Israel, the Bible falls apart. If the white race is not Israel, then the prophets and Yahshua were just talking through their hats and the scriptures can be twisted to serve the purposes of any conspirator who happens to come along.

As this age draws to a close, we find ourselves embroiled in a world wide struggle. The one and only issue is Yahshua. Is the world to be ruled according to Yahweh's laws, or according to the doctrines of evil men who are opposed to Yahweh? The adversaries are Israel, the family of Yahweh, versus a satanic conspiracy which hopes to thwart Yahweh's plan, wipe out Christianity and exterminate the white race.

The picture in this country appears grim indeed. In violation of Yahweh's plainly enunciated commandments to us, we have allowed millions of Christ hating aliens to enter our land, who are dedicated to the destruction of our Christian civilization. The Israelites, who under divine guidance, (this is the only logical explanation for the similarity between the Constitutional Republic established by our forefathers and the system of government-set forth in the scriptures) who built this great nation have been confused, corrupted and divided by this alien hoard in our midst who now control our beloved country just as they controlled Judea at the time of Yahshua.

Critical note by Clifton A. Emahiser: While I have a lot of respect for Compart's teachings, and I owe him much gratitude, once again he is obsessed with that idea that we are to rule over the other races, to which I do not agree, but rather be separate.
