Plus Critical Notes

Despite the Bible's constantly repeated warnings against making agreements with the wicked, our so called statesmen, seem to have no other occupation. They are so blind to all moral principle, they have no other plan or idea for governing the world than by agreements which are acceptable to the far left liberals. Even the village idiot should understand that nothing is acceptable to these masters of evil, unless it furthers their plan for conquest and enslavement of the world. Our statesmen proudly proclaim that this is the only hope of humanity, for a better life. We may well wonder whether all the communists are on the other side.

In the long run, peace and prosperity can come only as the result of righteousness. Power gained by corrupt alliances with evil, will always be used for evil purposes, such alliances can't stand the light of day. They must be defended by suppression of the truth, by half-truths and by outright lies. The public would repudiate these alliances, if they were told the truth. This is why an organized smear campaign is waged against anyone who dares to tell the truth. However, Yahweh's words will not be silenced, they give us a clear picture, even identifying the guilty ones.

We ended World War II as the mightiest nation in all of history, we were the undisputed master of the world. Since then, our leaders have brought us down to a point where they now tell us our very survival is doubtful. These traitors say we have no hope of survival unless we can be saved by the weak nations of Asia and Africa. **This evil is entirely their handiwork**, yet they claim the right to lead us the rest of the way to total disaster.

Yahweh warned us about this. Isaiah 9:16 tells us, "The leaders of this people cause them to err; and they that are led by them are destroyed." Why didn't the politicians tell us what they were doing, before they got us into this mess? Psalms 62:4 says, "They delight in lies: they bless with their mouth, but they curse inwardly."

How could they lead us into anything but disaster? Isaiah 59:4-9 warns us, "None calleth for justice, nor any pleadeth for truth: they trust in vanity and speak lies; they conceive mischief and bring forth iniquity. **The way of peace they know not**; and there is no judgment in their goings: **They have made them crooked paths: whosoever goeth therein shall not know peace.**"

We all know that race called Jews, whose sinister power of wealth and organization, dominates all politics today. They force both political parties down the same path through socialism, toward the ultimate disaster of world communism. Because they are masters of all major parties here, and the leaders of communism in all countries, they feel they are safe, anybody's victory must be their victory.

Yahweh has news for them, it is in Isaiah 28:14-21. “Wherefore hear ye the word of Yahweh, ye scornful men that rule **this people which is in Jerusalem**. Because ye have said, **We have made a covenant with death, and with hell we are at agreement**; when the overflowing scourge shall pass through, it shall not come unto us: for we have made lies our refuge, and under falsehood have we hid ourselves. Therefore, thus saith Yahweh: Judgment also will I lay to the line, and righteousness to the plummet: and the hail shall sweep away the refuge of lies, and waters shall overflow the hiding place. And your covenant with death shall be annulled, and your agreement with hell shall not stand; when the overflowing scourge shall pass through, then ye shall be trodden by it. From the time it goeth forth it shall take you: and it shall be a vexation only to understand the report. For the bed is shorter than a man can stretch himself on it; and the covering narrower than that he can wrap himself in it.”

When one marshals all the forces of wickedness together, and connive to paralyze all the forces that normally would oppose evil, he creates a Frankenstein monster which may finally turn upon its creator. The covenant with death is unreliable, even for those who have made it. What must it be for our own nation, when we allow ourselves to be used for its unholy purposes?

Already we see the futility of all our expectations of good to be obtained by cooperation with evil. The United Nations, that unholy palace of strangers cursed by Yahweh, has not solved any problems yet, it has only created many new problems. The few times its decisions have been on the side of good, they have been completely futile, for Russia and China have ignored them.

As Yahweh said in Isaiah 8:10, “Take counsel together, and it shall come to naught; speak the word, and it shall not stand.” The rest of the decisions made at the United Nations, have been in furtherance of the purposes of evil. The result has been a continuous cold war at all times. There has been almost a continuous shooting war in various parts of the world, while all our fumbling efforts to secure peace have failed.

Read today’s reports from all over the world, why doesn’t our refuge of lies, our covenant with death, the United Nations, solve any of these problems? No alliance with hell can ever bring a good solution to any problem, it lacks the essential moral principles which are the only possible foundation for justice and peace.

“The bed is shorter than that a man can stretch himself on it; and the covering narrower than that he can wrap himself in it.” It must always be inadequate for any good purpose and always fall short of accomplishment. The powers of hell are equal members of it and every resolution must be cut down until it will meet with their approval, or it fails.

We have had our warning in II Corinthians 6:17, “Come out from among them, and be ye separate, saith Yahweh, and touch not the unclean thing.” Our politicians are under the control of this sinister race who made this covenant with death, so we must follow this path to its terrible end. Their wickedness will have its just reward as Ezekiel 13:5,10 says. “Ye have not gone up into the gaps, neither made a wall for the house of Israel to stand in the battle in the day of Yahweh: Because ye have spoken vanity and seen lies, therefore behold, I am against you, saith Yahweh. Because even because they have seduced My people saying, Peace and there is no peace.”

Finally, what of that people whose crafty maneuver first created the United Nations as a step toward their world power? Then they used it as a means of committing practically all nations to approval of their violent seizure of Palestine. Will their covenant with death and agreement with hell give them immunity, when the forces they have turned loose on the rest of the world breaks into open war? No! As we have seen in the study of Ezekiel chapters 38 & 39, the Red forces will come through Palestine on their way to seize Egypt and the Suez Canal. In the process, terrible fighting will occur there.

As Isaiah states, "The hail shall sweep away the refuge of lies, and the waters shall overflow the hiding place. And your covenant with death shall be annulled, and your agreement with hell shall not stand; when the overflowing scourge shall pass through, then ye shall be trodden down by it."

This is the appropriate kind of justice which Yahweh so often uses, allowing one group of evil men to punish another. When their full military power is released, the Russian army may well decide that they need no longer obey the aliens who have been their masters since 1917. They might think that, since they must fight and die for world conquest, they might as well **seize for themselves** the prize they bought at such a bloody cost. Thus are the plots of wicked men brought to failure.

In this last great world war, the United Nations will crumble into ruin instantly. Against the Red alliance there can only be one effective opposition. This is not a debating society, paralyzed by its many clashing hatreds and conflicting interests. Only the military alliance of the white Christian nations, of the true Israel, will be effective against this menace.

It will be the separation of the sheep from the goats, foretold by Yahweh. Then the climax of this great drama, will be the return of Yahshua, winning the war for us with His terrible weapons, as He has promised. **The covenant with death will then be ended forever!**

Critical note by Clifton A. Emahiser: Comparet is correct on this thesis, as we have already made a covenant with death. It is called the "Genocide Treaty" and Comparet died shortly before it was signed. What it amounts to is, selling out our sovereignty to the United Nations. Under the provisions of the treaty, one could be arrested by a United Nations police force, taken to a foreign country and be tried for some hatched up crime. There one would face a trial without the benefit of the rights guaranteed by the U.S. Constitution and without due process, and the U.S. government could not intercede on our part. I should point out that about 20 years ago the Genocide Treaty was passed by Congress and signed into law by the President. That story was given only about 60 seconds on one of the big-three television networks. At that time, where we lived in Ohio, we were on standard time while Cleveland was on daylight savings time, which station we were able to get as Fostoria had a 400 foot high receiving antenna and distributed several stations to subscribers via cable. After I heard this from the Cleveland station, knowing that Toledo would repeat it an hour later, I set up my VCR to automatically time record it. All that is needed now is a flimsy excuse to declare martial law and we will forfeit all our rights guaranteed by our Constitution, and few there are who understand the implications of this agreement!

Compart's has a misconception in this article where he said: "As we have seen in the study of Ezekiel chapters 38 & 39, the Red forces will come through Palestine on their way to seize Egypt and the Suez Canal. In the process, terrible fighting will occur there." Ezekiel chapters 38 & 39 has nothing to do with an attack on the Canaanites calling themselves "Israel" in Palestine today!
