Right away, someone is going to object, citing two reasons, (1) that all of Cain's descendants were drowned in Noah's flood, and (2) that Genesis 4:1 says that Adam was Cain's father. As for Adam being Cain's father, Genesis 4:1 is known to be a corrupt passage, and nothing can be proved by quoting it. As for all of Cain's descendants being drowned in Noah's flood, Scripture makes it quite clear that they were not.

All we need to do is go to Genesis 15:19-21 where it states: “¹⁹ **The Kenites, and the Kenizzites, and the Kadmonites,** ²⁰ **And the Hittites, and the Perizzites, and the Rephaims,** ²¹ **And the Amorites, and the Canaanites, and the Girgashites, and the Jebusites.**” The first mentioned of these ten nations are the Kenites, and Strong assigns them the numbers 7017 and 7014 thusly: Strong's #7017 is: “Qênîy ... or ... Qînîy ... patronymic from 7014; a *Kenite* or member of the tribe of *Kajin*:– *Kenite*.” And 7014 is: “*Qayin* ... *Kajin*, the name of the first child ...:– *Cain, Kenite(-s)*.” The timing for this chapter is contemporary with Yahweh's first appearance to Abram (Abraham) to give to him an inheritance. This would have been several hundred years after Noah's flood, and Cain's descendants were still alive and kicking.

With this paper, we'll demonstrate that the mexicans of today are an arab people, therefore it will be necessary to study the many origins of the arabs. Also, the bad-fig-jews are an arab people, and it will be through the jews that we will be able to trace the mexicans back to Cain, who was the offspring of Eve fathered by Satan. Let's now get started:

From the 1980 *Collier's Encyclopedia*, volume 2, page 398, under the topic “Arabs”, we read the following: “The people of the Arab world have no single origin. Although Arab culture was associated in early times with the Arabian Peninsula, over the centuries many different peoples have become Arabized through adoption of the Arabic language and other features of Arab culture. For nearly all Arabization was through Islam, the major religion of the Arab world. The Arabs are as diverse physically as they are in ethnic origin. There is no Arab ‘racial type.’ Some Arabs do fit the stereotyped picture, lean and ‘hawk-nosed,’ with darkish skin and black hair, but these features are in no sense typical. Negroid Arabs are similar in appearance to sub-Saharan Africans, and light-skinned Arabs are physically indistinguishable from most Europeans.”

If arabs are indistinguishable from “most Europeans”, it is only that, due to the conquests of Islam, most of the southern Europeans are actually now arabs by blood. You will notice here that the arabs have an infusion of negroid in them. We will later see that there was also an infusion of negroid among the mexicans. Scripture is violently opposed to racially-mixed mamzers, who are considered “unclean”, and therefore sewer-people. Again from the 1980 *Collier's Encyclopedia*, volume 13, page 310, under the topic “Islam”, we read the following:

“... The term Islam refers not only to the religion but also to the entire body of believers and the countries they live in. Among the predominantly Muslim nations of the modern world are Morocco, Algeria, Tunisia, Libya, Mauritania, Chad, Egypt, the Sudan, Syria, Iraq, Saudi Arabia and the other states of the Arabian peninsula, Turkey, Albania, Iran, Afghanistan, Pakistan, Bangladesh, Malaysia, and Indonesia. Large Muslim communities exist in Lebanon, Yugoslavia, the Soviet Union, China, India, and the Philippines. There is hardly a region that does not have a Muslim community.

“The youngest of the world's great religions, Islam developed in Arabia, in an area that was one of the most significant melting-pots revealed by history, and the great religious enthusiasm of the peoples living there was thereby diffused and given a universal character ...” [emphasis mine]

Again from the 1980 *Collier's Encyclopedia*, volume 13, under the topic “Islam”, and the sub-topic “Central Beliefs”, of which there are five that are termed “affirmations”, central to basic Moslem doctrine. The “fifth affirmation” is of utmost interest to us here and reads as follows on page 311:

“Fifth, the community of believers includes all who reverence Allah, His Prophet, Book, and the Day of Judgment. This is the celebrated brotherhood of Islam in which all barriers of race, color, tongue, and status are broken.”

Another people descended from the arabs are the mexicans. They are a result of the Spanish explorers who had arabs and jews among them, and they still speak Spanish today. Again from the 1980 *Collier's Encyclopedia*, volume 16, page 80, under the topic “Mexico”, and the sub-topic “Ethnic Origins and Language”, we read the following:

“An estimated 300,000 Spaniards entered Mexico during the three centuries of colonial rule. They mixed with the Indians, producing the mestizo element which today predominates in the Mexican population. Most of the Negroes, estimated at less than 200,000, who were brought during the colonial period to work in the mines and on the plantations have been absorbed into the population.” This same article points out that there were “more than 700 tribal groups” and “100 different languages” among the Mexican-Indian element alone. Remember, the Hebrew word (*ereb*) means “mingled”. Again, from the 1980 *Collier's Encyclopedia*, volume 17, page 80, under the topic “Muslims”, and the sub-topic “The Omniad Caliphate of Spain”, we read the following:

“... So many native Christians adopted Islam and intermarried with the conquerors that the original Muslim stock was thoroughly blended with the local peoples ...” Therefore, we don't have to guess as to the general makeup of the 300,000 Spaniards who **blended** with the mexican-indians. All one need do is brush up on his history.

One cannot fully comprehend the racial makeup of the arabs and jews unless he understands the history of Egypt from A.D. 639 until the time of Napoleon I in 1798. The history of Egypt during this period is essentially the history of the entire Middle East. Genghis Khan, in his exploits, left a mongol genetic flavor to the population wherever he conquered new territory. Egypt, during this period, found herself under various ruler-ships. In A.D. 639 the arabs invaded Egypt and came to power. Next were the Fatimids in A.D. 909. After this came the Ayyubids in 1174. Then in 1517 A.D. came the Mamelukes, followed by the Ottomans when Egypt was governed from Istanbul. If you don't understand the history of the Middle East during this period, don't pretend you know all about the arabs and jews today!

In the 1200's, Genghis Khan sold a company of slaves to the Sultan of Egypt, made up of turks and Circassians (people who inhabited the Caucasus, not to be confused with the White Caucasians), to become the Sultan's body guards, and were also trained as soldiers. Soon the Mamelukes overthrew the Egyptian Sultan and put their own sultan in power. The Mameluke sultans then overran Asia Minor, Syria, and the island of Cyprus. In the wake of all these arab and turk exploits, the various populations were left with a multiracial flavor, actually genetic hybrid mutants.

Mohammed, a half-jew, founder of Islam, was born at Mecca Aug. 20, 570 A.D. At age 40, he claimed a revelation from Gabriel and launched a hybrid religion. Gaining adherents and an army, he soon conquered all of Arabia and summoned Persia, Abyssinia and Constantinople to embrace his religion, but died before taking on Asia Minor and the Roman Empire. After his death, his fanatical followers pressed into Egypt, Palestine, Persia and Syria, and 50 years later moved into North Africa and Spain, giving the conquered an ultimatum of conversion or the sword, raping the women as they went. Upon sweeping northward into Spain, at the beckoning of the jews, they broke the rule of the Visigoths in 711, bringing with them Berbers from Africa, making Cordova their seat of government. In Spanish history, the term "Moor" is used interchangeably with "Arab" and "Saracen". Later the Moorish forces invaded France, but were defeated at Tours in 732 by Charles Martel, which was **a major turning point** in history.

The progress of the Mohammedans northward had continued unchecked for a distance greater than a thousand miles from Gibraltar, and had they not been stopped they would have carried the Crescent to the borders of Poland and the Scottish Highlands. The sedate Gibbon conjectured that the Koran would today be used as the principal textbook at the University of Oxford.

Destiny had a different plan. The battle-axe, Charles (called the "hammer") Martel, was not about to allow the Moors' advance to continue. The Frankish warrior was already hardened by twenty-four years of service. With this great emergency upon the kingdom, Charles' policy was to let the Arabian torrent diffuse itself before attempting to stem the tide. Here Europe was arrayed against Asia and Africa; the Cross against the Crescent; Christ against Mohammed. For six days the battle appeared to favor Islam, but on the seventh day the fierce Germans arose with their battle-axes upon the lighter soldiery from the south. As night closed, Europe was victorious, for Abdalrahman their leader was slain. In the confusion of the darkness the

Moorish warriors rose against each other till sunrise, when the few remaining alive retreated south.

One would think that Charles Martel would have received the highest honors the Christian world could bestow! But just the opposite occurred after the victory. Martel, in raising and equipping his army, had been obliged to appropriate the treasures of several churches, and the unthankful clergy never forgave him, but consigned him to hellfire. As far as the church was concerned, the hero of Poitiers could roast in purgatory's flame. [Gleaned partly from the *Cyclopædia of Universal History* by John Clark Ridpath, volume II, pages 150-152.]

Henry H. Halley, in his *Bible Handbook*, page 717: "Mohammed (A.D. 570-632), in Mecca, Arabia, declared himself to be The Prophet of God, and set out, at the head of an army, to propagate his religion by the Sword. Soon the world of Arabia was conquered. Mohammedan armies, under successive leaders, swept on in their conquest. Syria fell (A.D. 634), Jerusalem (A.D. 637), Egypt (A.D. 638), Persia (A.D. 640), North Africa (A.D. 689).

"Asian and African Christianity, thus swept away, Mohammedans moved into Europe. Spain fell (A.D. 711). Then they headed on into France, where, at Tours, the Mohammedan Army was met and defeated (A.D. 732), by Charles Martel, grandfather of Charlemagne. EXCEPT FOR THAT VICTORY, CHRISTIANITY MIGHT HAVE BEEN ENTIRELY EXTERMINATED FROM THE EARTH."

Most, if not all of the arabs, including the bad-fig-jews, are descendants of Cain, whom by the seduction of Eve was sired by Satan. They represent the war of the seed of the woman against the seed of the serpent at Genesis 3:15. The assault of the arab Mohammedans on White Europe was a major collision of these two forces, presaged at Dan. 8:9-12: & Rev. 9:1-21. Today the invasion of the mexicans into America is another major phase of that great war, presaged at Isa. 56:9-12 & Jer. 31:27. Thus the mexicans (like the bad-fig-jews) are devils in shoe leather. Every male mexican crossing our southern border represents a penis looking for a White woman to impregnate in order to pollute our race! They're unclean creatures! They're sewer-people!

Biblically speaking, those of "mingled" or "mixed" ethnicity are in the same category with the arabs, (cf. Ezra 9:2; Dan. 2:43; Exod. 12:38 Neh. 13:3; Jer. 25:20, 24; 50:37; 1 Kings 10:15 & Ezek. 30:5). By this criteria, mexicans are indeed arabs. One must understand that with Cortez and succeeding Spanish explorers, over a period of three centuries, with an influx of 300,000 men, there were many arabs, turks and bad-fig-jews. Most of these mixed with the various Indian tribes among them: Aztec, Misteca-Zapoteca, Maya, Othomi, Totonac, Tarasco, Apache, Matlan-zingo, Chontal, Mixeca, Zoque, Guaicuro, Opata-Pima, Tapijulapa, Seri and Huavi, Chichimec, Toltec, Huasteco and Otomis, which were also "unclean" sewer-people. From the bad-fig-jews in this witches' brew came also the ten Canaanite nation admixture spoken of at Gen. 15:19-21 cited previously. Both bad-fig-jews and arabs have this Canaanite admixture! And thanks to the Spanish explorers, the mexicans also have this same Canaanite admixture. The next time you observe a mexican, remember he is part Canaanite! Sewer-people? You bet they are! And White Israel was commissioned to exterminate

them; man, woman and child – everyone that breathed! The next time you are out shopping and spy some mexican child mixed with White, Yahweh has commanded they are going to die! Because White Israel didn't do that while in the land of Canaan, Yahweh put that directive on hold so the Canaanites could become thorns in our sides and pricks in our eyes. So the bad-fig-jews are pricks and thorns; arabs and turks are pricks and thorns; and mexicans are pricks and thorns! (Josh. 23:12-13) And both Yahshua Christ Himself and Paul called those of Canaanite extraction "dogs", so the bad-fig-jews are dogs; the arabs and turks are dogs; and the mexicans are dogs! So not only are they sewer-people, but they are also dog-people! Therefore, every White woman (or man as far as that goes) who jumps into bed with a mexican (or anyone of a nonwhite race), should be disinherited by their parents ! That means to throw them out on the street and tell them never to return home again! If the parent doesn't, the next thing he will know, he'll have a house full of mexicans, and they'll throw him and his wife out in the street!

By the way, *The Reader's Great Encyclopedic Dictionary* defines mestizo as: "... (mes·tē'zō) *n. pl.* ·zos or ·zoes Any one of mixed blood; in Mexico and the western United States, a person of Spanish and Indian blood: also called *Ladino* (def. 2). Also mes·te'so, mes·ti'no (-nō). [<Sp. <LL *misticus* < L *mixtus* pp. of *miscere* to mix] — mes·di'za (zə) *n. fem.*" ("*Ladino*" = "Judeo-Spanish", or "Judezmo".) This definition is quite good, except "Spanish blood" doesn't express the entire picture of the arab, turk and bad-fig-jew blood! Actually the original pureblooded Spaniards were Iberian White people. So this definition can only apply to Spain as it was occupied by the turk & arab Mohammedans after its conquest by the Saracens. So it's not entirely a mixture of "Spanish and Indian", but a mixture of arab, turk, bad-fig-jew and Indian blood; and don't forget the negroid!

THE BIBLICAL CONNECTION OF THE BAD-FIG-JEWS AND ARABS TO CAIN AND SATAN

First of all, Eve's temptation in the Garden of Eden wasn't that she eat some kind of fruit from a wooden tree. Rather, Satan seduced Eve and enticed her to have sexual intercourse with him, which resulted in the birth of Cain. Though the definition for the tree she ate from in the Hebrew can mean a wooden tree, in this case it is a Hebrew idiom for a racial family tree. Also the term for "eat" at this passage is a Hebrew idiom for sexual intercourse. So what happened was that Satan enticed Eve to have sexual intercourse with him, and Cain was born from that union. Some object to this interpretation, but "eat" also means sexual intercourse at Proverbs 30:20 where it states: "**Such is the way of an adulterous woman; she eateth, and wipeth her mouth, and saith, I have done no wickedness.**" Now this verse is not speaking of wiping the "mouth" on the woman's face, but of wiping her vagina. Are we also supposed to believe that this woman ate from a wooden tree? Maybe she had to wipe the apple juice off!

Remember, Yahweh told Eve not only not to "**eat**" of the tree, but also not to "**touch**". Not only does the word "**eat**" sometimes have sexual connotations, but

also the word “**touch**”, which is #5060, naga, to touch; *also to have sexual intercourse*. This is supported the following two Scriptures, Genesis 26:10-11:

“¹⁰ **And Abimelech said, What *is* this thou hast done unto us? one of the people might have LIEN (lain) WITH THY WIFE, and thou shouldest have brought guiltiness upon us.** ¹¹ **And Abimelech charged all *his* people, saying, He that TOUCHETH this man or his wife shall surely be put to death.”**

Genesis 20:6: “**And Yahweh *singular*-Elohim said unto him in a dream. Yea, I know that thou didst this in the integrity of thy heart; for I also withheld thee from sinning against me: therefore suffered I thee not to TOUCH her.**” With these two verses, it should be quite clear that the term “**touch**” is a Hebrew idiom sometimes used to mean sexual intercourse. One would not be very bright to argue otherwise, yet there are some who do.

Paul of Tarsus used this same Hebrew idiom when writing at 2 Corinthians 6:17, where he stated: “**Wherefore come out from among them, and be ye separate, saith Yahweh, and TOUCH not the unclean *thing*; and I will receive you.**” So you will understand it, I will amplify it: “**Wherefore come out from among [*the bad-fig-jews, arabs, turks, mexicans, mongolians, negroids and all nonwhites and mongrels of all kinds*], and be ye [*segregated*], saith Yahweh, and [*have no social or sexual intercourse with*] the unclean [*races*]; and I will receive you.”**

Yahshua Christ Himself agreed that the bad-fig-jews were indeed the descendants of Cain when He said at Luke 11:50-51:“⁵⁰ **That the blood of all the prophets, which was shed from the foundation of the world, may be required of this race;** ⁵¹ **From the blood of Abel unto the blood of Zacharias, which perished between the altar and the temple: verily I say unto you, It shall be required of this race.”** What race? The race of Cain, of course! Who else but Cain murdered Abel? It would have been criminal on the part of Yahshua Christ had the people He was addressing this to not literally been guilty of the murder of Abel. Furthermore, Christ would have become guilty of bearing false witness, and no better than a common liar.

About 125 B.C., most of the Edomites in southern Judaea had converted to Judaism. The following is from Josephus’ *Antiquities* 13:9:1: “... Hyrcanus took also Dora and Marissa, cities of Idumea, and subdued all the Idumeans; and permitted them to stay in that country, if they would circumcise their genitals, and make use of the laws of the Jews; and they were so desirous of living in the country of their forefathers, that they submitted to the use of circumcision, and the rest of the Jewish ways of living; at which time therefore this befell them, that they were hereafter no other than Jews.” Thus, by the time of Christ, a good portion of the jews living in Judaea were actually Edomites!

We only have to go one step further to understand that Esau had taken Hittite wives of the ten Canaanite nations. At Genesis 15:19-21 are listed ten Canaanite nations and they race-mixed so much that at Deut. 7:1-2, there are only seven. The Kenites, Kenizzites and Rephaims were completely absorbed by the other seven nations of this group from which the bad-fig-jews are extracted. From this point on, every Canaanite nation had absorbed the Kenites; Cain’s genetic bloodline. At Deut. 7:1 they are listed as, “... the Hittites, and the Gergashites, and the Amorites, and the

Canaanites, and the Perizzites, and the Hivites, and the Jebusites ...” At Ezra 9:1 they are listed as, “... the Canaanites, the Hittites, the Perizzites, the Jebusites, the Ammonites, the Moabites, the Egyptians, and the Amorites.” These all have one thing in common: Cain’s blood.

Not only are the bad-fig-jews descended from these named Canaanite nations, but also the arabs. And this is also the bloodline of the mexicans! They all come from a slightly different angle, but the results are very similar. The one thing they all have in common is, they are all descended from Cain, whose father was Satan (Sammael). As for the other races, they are all, one way or another, Satanic in nature. If you don’t think so, just read Psalm 83! The list is too long to include here. But of special notice at verse 6 are the tabernacles of Edom, representing the bad-fig-jews. Also mentioned are the Ishmaelites who have long since been arabized. And Amalek was also an Edomite.

There is a lot of conjecture today of how we might protect our southern border, but the only answer is found at Deut. 7:2-3. This is the only remedy!
